

OASIS SAINIK SCHOOL

OUR VISION

We are committed to delivering a world-class education that prepares students for global citizenship. Rooted in Indian values and traditions, our curriculum blends excellence with a global perspective, empowering students to confidently tackle the challenges of the 21st century with resilience, confidence, and integrity.

OUR MISSION

The mission of Oasis Sainik School is to foster a nurturing and inspiring learning environment where students can discover and develop their unique talents. We are committed to holistic growth by instilling enduring values and providing diverse opportunities for excellence.

50 acres with 1,50,000 Sq feet of buildup area.

Commerce Stream

Important Written Tests/Exams Start

Written tests are crucial as they provide a clear reflection of a student's understanding and academic progress. No retests will be offered, as missing the test results in zero* marks, potentially jeopardizing promotion. This policy emphasizes the importance of consistent attendance and responsibility in a student's academic journey.
